

Lex La Ray Technical Center's Student Retention Plan

Updated 9/9/21

Efforts for Student Retention:

- Have enrollment requirements to ensure students are able to succeed in each program
 - For PN: ATI TEAS must be at least 44%
- Monitor Attendance
 - Check at least every other week
 - Meet with student to go over policy
 - Offer Make Up Time if possible
- Monitor Grades and Identify Struggling students
 - Meet with students to help identify issue and when possible offer accommodations
 - Practical Nursing - Before / After school tutoring
- Student Surveys for feedback
- Evaluate yearly with practical nursing admissions committee

Evaluation of Student Retention Efforts:

- Analyze completion rates
 - Once a year
 - Every 3 years
- Student surveys
